The Added Value

With a legacy of innovation and excellence, Value Developments has been a leading name in real estate development, specializing in commercial, administrative, and medical projects. Our commitment to quality, integrity, and sustainable growth positions us as a trusted partner for investors and professionals alike.

Core Values and Vision:

- ▶ **Innovation:** Pioneering modern real estate solutions.
- ▶ **Integrity:** Building trust through transparency and ethical business practices.
- ▶ **Excellence:** Delivering high-quality, future-ready developments.

Experience and Strengths:

- ▶ Over 10 years of experience in commercial, administrative, medical, and residential real estate.
- ▶ Proven expertise in delivering high-return investment opportunities.

Track Record in **East Cairo**

New Cairo

Maadi

- ▶ **5 Completed**
- ▶ **3 under construction**
Projects

- ▶ **Over 2200 investors and tenants** trusting our developments.

- ▶ **Delivered properties on time** with exceptional after-sales service.

Value Medical City

Welcome to the future of healthcare investment – an integrated medical city designed to cater to the needs of doctors, healthcare providers, and patients alike. Strategically located in East Cairo to serve El Shorouk City, Madinaty, New Heliopolis, and Badr City, our development is set to become a center of excellence in medical care.

Professional Facility Management and Medical Operations

We are proud to partner with **EHFS**, a leading facility management company owned by **Cleopatra Group**, known for owning and operating some of the most prestigious hospitals across Egypt. **EHFS** will serve as the main medical operator and facility management company for the project, ensuring world-class service standards, operational efficiency, and an environment conducive to superior patient care.

Flagship Facility

The British Hospital

We are proud to announce that the renowned British Hospital will establish and operate a dedicated hospital within the medical city. This state-of-the-art facility will offer:

- ▶ Intensive Care Units (ICU)
- ▶ Fully Equipped Emergency Unit
- ▶ Surgical Units
- ▶ Operating Rooms
- ▶ Recovery Rooms
- ▶ Neonatal Intensive Care Unit (NICU)
